

# HIGHLIGHTS MATH DAY 2013

As part of the AGMUS Institute of Mathematics and the SUAGM SACNAS Chapter dissemination and outreach component to motivate high school students to select mathematics as their major in college, March 1, 2013, Dr. Luis de la Torre, Professor of Bio-Mathematics, Wanda I. Rodriguez, Coordinator and Bio-Mathematics Scholars implemented a “MATH DAY 2013 AND OLYMPIAD” in Nuestra Sra. Del Carmen School at Trujillo Alto, PR. In this activity twenty-eight (28) students attended and took the Math Olympiad Exam.

## OLYMPIADS 2013

During the Closing Ceremony, Prof. Luis de la Torre presented award to the three best performers of the

Math Olympiads:

**First Place:** Alejandra Costa

**Second Place:** Miguel Reyes

**Third Place:** Javier Jusino
