

**ANA G. MENDEZ UNIVERSITY SYSTEM**  
**Student Research Development Center**

**SUMMER 2012 RESEARCH INTERNSHIP PROGRAM**

**STUDENT EVALUATION**

**Student Name** \_\_\_\_\_

**Research Mentor:** \_\_\_\_\_

Please use an X to indicate your responses to the following items and answer the following questions. Your responses will help us improve this undergraduate research program for the next group of students.

**A. General:**

	Poor	Fair	Good	Excellent
1. Overall quality of the research project				
2. Mentor's dedication to student knowledge				
3. Mentor's knowledge in research area				
4. Communication between mentor and MIE scholars				

5. What were the best features of this research program?

6. Which features of the research program would you improve? What can you suggest to improve this undergraduate research program?

**. Research:**

	Too Little	Barely Enough	Just Enough	Too Much
Amount of contents covered in the research project				
Depth of contents covered in the research project				

**C. Usefulness of scientific contents covered in this research:**

	Not Useful at All	Not Very Useful	Useful	Very Useful
My undergraduate courses				
My ability to understand my area of study				
My ability to demonstrate my understanding of my area of study				
My future in my area of study				
My interest in pursuing studies in my area of study				

I. What did you learn from this research that is useful to you? Why?

II. Would you recommend this research program to other students in the future?

III. Any additional thoughts or comments?

Thank you very much for your feedback!
