School Commitment Form

Teacher Capacitation Workshop: The Beauty and Joy of Computing

I, ________________________________, director or principal of ________________________________, commit the school to implement the curriculum of computer science proposed during the teacher capacitation workshop: The Beauty and Joy of Computing, which will be held on September 22, 2012. The school will provide the necessary tools and equipment to implement this project. I understand that the Caribbean Computing Center for Excellence (CCCE) staff will be providing support for this effort.
